Personal Statement

I am an experienced motion graphics animator and video editor with a strong background in compositing and animation. Over the course of my career, I've honed my skills in video production, editing, and even social media management. I am a quick learner, a hard worker, and I excel both in collaborative environments and independently. I am passionate about creating high-quality video content that engages and informs. I am adept at handling multiple aspects of video production, from conceptualization to final delivery, with a focus on delivering polished, visually compelling content.

WORK EXPERIENCE

05/2023 – Present

Motion Graphics Animator and Video Editor, THE JOHN BIRCH SOCIETY

As a motion graphics designer and video editor, I utilize Adobe Creative Suite to create engaging visuals and dynamic video content. I am involved in all stages of video production, from conceptualization and studio filming to final editing and post-production. My work includes designing motion graphics, enhancing visual storytelling, and ensuring the final product meets the creative vision and specifications. With a strong attention to detail and a collaborative approach, I consistently deliver high-quality, polished videos.

07/2022 – 04/2024

Animator and 2D Compositor, ONEDOOR STUDIOS

Worked part-time as a motion graphics animator, 2D compositor, and artist. I primarily worked with Adobe After Effects, Premiere, and Photoshop creating animations for advertisements and information videos as well as graphics for websites. I also managed the comments on their social media pages, answering questions and responding to people.

COMMUNITY INVOLVEMENT

2016 – 2022

Video / Lighting Technician, STAFFORD CROSSING COMMUNITY CHURCH

For Stafford Crossing Community Church, I served as a volunteer on the production teams for weekly worship services. I operated a lighting board and the cameras when needed. Through this, I worked with a multitude of people, to improve guests' experience at our church.

12/2018 – 02/2019

Assistant Teacher, CHRISTIAN YOUTH THEATER (CYT)

I volunteered as an assistant teacher for a children's class in CYT. I helped direct the ideas of children between 10 and 16 and give them guidance with their theater projects. This required patience and the ability to work with younger kids on complicated tasks.
